

June 2022

Cyber Tips for Summer Travel

- Keep your devices updated and password protected
- Instead of connecting to public Wi-Fi, whenever possible connect to and use the personal hotspot feature on your phone
- Avoid using public computers to log into any accounts or access sensitive information
- Do not discuss your upcoming travel plans on social media
- Wait to post pictures of your trip on social media until you are home
- Inform credit card companies what your itinerary will be
